

FREEDOM CASH CHALLENGE

Week 1 Homework

NOTE: This homework is important to do. Writing down your thoughts, intentions and the actions you've taken is the single most important thing you can do to succeed with this challenge.

What "Big Market" is best for you? (Wealth? Health? Relationships?)

What platform do you intend to use to start? (WarriorPlus? JVZoo? Clickbank? Amazon?)

How much money do you need to make every month? Be specific!

What's your FREEDOM NUMBER? (The dollar amount you need in the bank for you to feel 100% FREEDOM.)

How many \$400 sales would you need to make to reach your FREEDOM NUMBER? (Divide your FREEDOM NUMBER by 400.)

What is your "REASON WHY?" What motivates you most EVERY DAY to reach your FREEDOM NUMBER?

Which product funnel (One Minute Free Traffic, List Warrior or Perfect Product Creation) ***do you like the best? Why?***

What is your favorite thing about the 100% RESELLER SYSTEM?

On the back, DRAW A PICTURE that copies the One Minute Free Traffic funnel shown to you during “THE BEST PRODUCT” Challenge Video.
